WELCOME AERIAL CIRCUS CHARACTERS

Butterflies, fairies, and all the characters you can imagine with all their magic and color are able to amaze and cause admiration in any type of event.

These characters require a structure where the aerial elements can be hung and an expert person to assemble them.

VALUE: \$600,000 Colombian pesos

FIRE TANGO

Tango and fire merge in a dance of elegance and strength, the majesty of the flaming torches with the elegant movements of the artists unite in the same passion for the rhythm of a bandoneon, the flame itself dances with the wind as if trying to imitate the movements of those who carry it, and while those who carry it wiggle, move, turn and jump to the beat of a good tango, the power of fire ignites the veins.

DELIRIO

CIRCUS BATUCADA

From the African drums to the mixture of cultures with our beautiful South American continent, Brazil is settled in the passion for the heartbeat of the earth through the beat of the drum, the batucada lady with its energy is the perfect complement to the circus, so CIRCO HERENCIAS brings the rhythm, joy, the explosion of sounds and spectacular acrobatics added to a different way of playing the drum. Circus and music fused in a single heartbeat.

a show that exudes energy, vitality, movement, expression, joy, all that is needed to make a special event become an extraordinary and unforgettable event.
